CUSTOMER SATISFACTION NOTIFICATION

Rear Quarter Windows

Dear [Name],

At FCA US LLC, we recognize that the success of our business depends on the satisfaction of our customers. We are constantly monitoring the quality of our products and looking for opportunities to improve our vehicles even after they are sold. Because your long-term satisfaction is important to us, we are contacting you on important improvements we would like to make to your vehicle ^[1]. This will be done at no charge to you.

We are recommending the following improvements be performed on certain [2018 through 2020 Model Year (JL) Jeep® Wrangler] vehicles.

WHY DOES MY VEHICLE NEED REPAIRS?

The rear quarter windows vertical retainer on your vehicle may not be properly installed to the door rail after removal. This condition may cause the soft top rear quarter window panels to separate from the vehicle while driving at highway speeds.

HOW DO I RESOLVE THIS CUSTOMER SATISFACTION NOTIFICATION

FCA will mail all vehicle owners with a hard top an addendum card, owners with soft top vehicles an addendum and updated tip card. These documents show the detailed quarter window installation directions. We ask that you insert these documents into your Owner's Manual.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[2] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the repair performed.

We apologize for any inconvenience, but are sincerely concerned about your satisfaction. Thank you for your attention to this important matter.
